

JODHPUR WIND FARMS PRIVATE LIMITED

Price Waterhouse Chartered Accountants LLP

Independent auditor's report

To the Members of Jodhpur Wind Farms Private Limited

Report on the audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of Jodhpur Wind Farms Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. We have determined that there are no key audit matters to communicate in our report.

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jodhpur Wind Farms Private Limited

Report on audit of the Financial Statements

Page 2 of 5

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Price Waterhouse Chartered Accountants LLP

INDEPENDENT AUDITOR'S REPORT

To the Members of Jodhpur Wind Farms Private Limited

Report on audit of the Financial Statements

Page 3 of 5

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

13. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has long-term contracts as at March 31, 2021 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at March 31, 2021.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021.
 - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2021.

Referred to in paragraph 14(f) of the Independent Auditors' Report of even date to the members of Jodhpur Wind Farms Private Limited on the financial statements for the year ended March 31, 2021

Page 1 of 2

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Jodhpur Wind Farms Private Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Page 2 of 2

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to Independent Auditors' Report

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Jodhpur Wind Farms Private Limited on the financial statements as of and for the year ended March 31, 2021

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) The title deeds of immovable properties, as disclosed in Note 5 on fixed assets to the financial statements, are held in the name of the Company, except for:

Sr. No.	Nature of Assets	Gross Block (Amount in Rs. Lakhs)	Net Block (Amount in Rs. Lakhs)	Remarks
1	Freehold Land	20	20	The land is in the process of transfer in the name of the Company.

- ii. The Company does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its services. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing undisputed statutory dues in respect of goods and services tax, income tax and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax or goods and services tax which have not been deposited on account of any dispute.
- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

Page 2 of 2

- ix. In our opinion, and according to the information and explanations given to us, the moneys raised by way of term loans and debt instruments have been applied for the purposes for which they were obtained. The Company has not raised any moneys by way of initial public offer or further public offer.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company has not paid/ provided for managerial remuneration during the year ended March 31, 2021. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company. Also refer paragraph 13 of our main audit report.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

Note 1. General Information

The Company is a wholly owned subsidiary of Torrent Power Limited. The Company is a private company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at "Samanvay", 600, Tapovan Ambawadi Ahmedabad, Gujarat, India – 380015.

The Company is engaged in the business of generation of wind power. Electricity generated from the project is being supplied to Gulbarga Electricity Supply Company Limited (GESCOM) which is a government of Karnataka undertaking, under a 20 years Power Purchase Agreement which is further extendable by 5 years.

Note 2. New standards and interpretations adopted by Company

The Company has applied the following amendment to Ind AS for the first time for its annual reporting period commencing 1st April, 2020:

- i) Ind AS - 1 and Ind AS – 8, Definition of Material

The other amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Note 3. Significant accounting policies

3.1 Basis of preparation:

- a) Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

As prescribed by the Ind AS, if the particular Ind AS is not in conformity with the applicable laws, the provisions of the said law shall prevail and financial statements shall be prepared in conformity with such laws. Consequently, the Company has applied this norm while preparing the financial statements.

- b) Historical cost convention

The financial statements have been prepared on an accrual basis under the historical cost convention except for following which have been measured at fair value;

- Certain financial assets and liabilities which have been measured at fair value.

- c) All assets and liabilities have been classified as current or non-current as set out in the Schedule III (Division II) to the Companies Act, 2013.

3.2 Property, plant and equipment:

Tangible fixed assets:-

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted.

Depreciation on tangible assets which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003.

The depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation
Plant and machinery	5.38%

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

3.3 Impairment of tangible assets:

Tangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

3.4 Borrowing Costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the statement of profit and loss in the period of their accrual.

3.5 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.6 Revenue recognition:

Revenue from power supply are accounted for on the basis of billings to consumer in accordance with the Power Purchase Agreement.

3.7 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Advance taxes and provisions for current income taxes are offset when there is a legally enforceable right to offset and balance arises with same tax authority.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

3.8 Earnings per share:

Basic earnings per share (EPS) is computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

3.9 Provisions, contingent liabilities and contingent assets:

Provisions:

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability:

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as Contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets:

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

Jodhpur Wind Farms Private Limited
Notes forming part of the financial statements for the year ended 31st March, 2021

3.10 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss.

iii) Subsequent measurement

Debt instruments

There are three measurement categories into which the debt instruments can be classified:

• Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

• Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

• Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Net gains / (losses) from these financial assets is included in other income.

iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 only, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on historical credit loss experience.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Company has not retained control over the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

vi) Income recognition

• Interest income

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

• Dividend

Dividend is accounted when the right to receive payment is established.

Financials liabilities:

The Company's financial liabilities include trade and other payables and borrowings.

i) Classification

The Company's financial liabilities are measured at amortized cost.

Jodhpur Wind Farms Private Limited

Notes forming part of the financial statements for the year ended 31st March, 2021

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the issue of financial liabilities are deducted from the fair value of the financial liabilities, as appropriate, on initial recognition.

iii) Subsequent measurement

Financial liabilities subsequently measured at amortised cost using the Effective Interest Rate method.

The Effective Interest Rate Method (EIR) is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability.

iv) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or waived off or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

3.11 Leases:

Short term leases and leases of low value assets:

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise small items of office equipment including IT equipment.

3.12 Amount presented and rounding off:

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs with two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

Note 4 : Critical accounting judgements and key sources of estimation uncertainty

In the course of applying the policies outlined in all notes under note 3 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amount of assets and liabilities within the next financial year, is in respect of recognition of deferred tax assets and liabilities (refer note 27).

JODHPUR WIND FARMS PRIVATE LIMITED**Notes forming part of the financial statements for the year ended 31st March, 2021****Note - 27: Income tax expense**

Management has made an assessment of the amount of taxable income that would be available in future to offset the tax credits available to the Company.

(a) Income tax expense recognised in statement of profit and loss

	Year ended 31st March, 2021	(₹ in Lakhs) Year ended 31st March, 2020
Current tax		
Current tax on profits for the year	-	-
Deferred tax (other than disclosed under OCI)		
(Increase) in deferred tax assets	(3.23)	(13.03)
Increase in deferred tax liabilities	6.11	312.61
	2.88	299.58
Income tax expense	2.88	299.58

(b) Reconciliation of income tax expense

	Year ended 31st March, 2021	(₹ in Lakhs) Year ended 31st March, 2020
Profit before tax	41.14	1,027.06
Expected income tax expense calculated using tax rate at 25.168% (Previous year - 25.168%)	10.35	258.49
Adjustment to reconcile expected income tax expense to reported income tax expense:		
Effect of:		
a Expenditure not deductible under Income Tax Act	2.88	2.38
b Expenditure deductible under Income Tax Act (recognised in Other Equity)	(4.97)	(4.97)
c MAT credit (recognised) / not recognised in the year	-	39.58
d Impact of enacted income tax rate on deferred tax balance	-	4.10
e other items	(5.38)	-
Total	(7.47)	41.09
Total expense as per statement of profit and loss	2.88	299.58

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

JODHPUR WIND FARMS PRIVATE LIMITED

Notes forming part of the financial statements for the year ended 31st March, 2021

Note - 28: The Company has given loans and advances to its fellow subsidiary company as under:

Disclosure under Regulation 53(f) read with para A of Schedule V of Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015

(₹ in Lakhs)

	Maximum amount outstanding		Amount Outstanding	
	Year ended	Year ended	As at	As at
	31st March, 2021	31st March, 2020	31st March, 2021	31st March, 2020
Fellow Subsidiary Company				
Torrent Solargen Limited	2,950.00	-	2,950.00	-

1. The Company has not given any loans or advances in the nature of loan to any firms / companies, in which Directors are interested.
2. The above loan is given to the fellow subsidiary for meeting the working capital requirement for 126 MW Wind Power Project at Lohara and Koral district, Osmanabad, Maharashtra along with its affiliated infrastructure and ancillaries.

The Company is engaged in the business of providing infrastructural facilities as per Section 186 (11) of the Act. Accordingly, disclosure under Section 186 (4) of the Act, is not applicable to the Company.

Note - 29: Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act, 2006)

There are Micro and Small Enterprises, to whom the Company owes dues, which are outstanding as at the Balance Sheet date. The information has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors. The details of interest amount which is paid/payable during the year is as follows.

(₹ in Lakhs)

	As at	As at
	31st March, 2021	31st March, 2020
	Micro and small enterprises	Micro and small enterprises
(a) Principal amount remaining unpaid	0.00	-
(b) Interest due thereon	0.02	0.01
(c) The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
(d) The amount of interest due and payable for the year (where the principal has been paid but interest under the MSMED Act, 2006 not paid)	-	-
(e) The amount of interest accrued and remaining unpaid	0.02	0.01
(f) The amount of further interest due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23.	-	-

Note - 30: Lease

The Company's significant leasing arrangement is in respect of office premises taken on lease. The arrangement is for 9 years and is usually renewable by mutual consent on mutually agreeable terms. Under these arrangement, generally refundable interest free deposits have been given. The Company has not entered into any material financial lease. The Company does not have any non-cancellable lease.

There are no leasing arrangements entered into by the company falling under the ambit of Ind-AS 116. Hence disclosures under Ind-AS 116 are not applicable to the company.

JODHPUR WIND FARMS PRIVATE LIMITED**Notes forming part of the financial statements for the year ended 31st March, 2021****Note - 31: Auditors remuneration (including taxes)**

	Year ended 31st March, 2021	(₹ in Lakhs) Year ended 31st March, 2020
As auditor		
Audit fees	4.13	1.48
Other services- certificates etc.	1.44	0.53
	<u>5.57</u>	<u>2.01</u>

Note - 32: Corporate Social Responsibility (CSR) expenditure

	Year ended 31st March, 2021	(₹ in Lakhs) Year ended 31st March, 2020

(d) Terms and conditions of outstanding balances

Loan from Torrent Power Limited (Parent Company) includes Equity - Promoter Loan of ₹ 4,400 Lakh. The loan carries an interest rate of 8.50% p.a.

Outstanding balances at the year end are unsecured.

Torrent Power Limited (Parent Company) has issued an Unconditional and Irrevocable Corporate Guarantee against principle and interest repayments of 7% Series 1A, 1B & 1C Non Convertible Debentures of Rs. 30,000 lakhs.

The transactions with related parties are made in the normal course of business on terms equivalent to those that prevail in arm's length transactions.

JODHPUR WIND FARMS PRIVATE LIMITED
Notes forming part of the financial statements for the year ended 31st March, 2021
Note - 36: Financial instruments and risk review
(a) Capital management

The Company manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Company's capital structure is represented by equity (comprising issued capital and retained earnings as detailed in Notes 15, 16) and debt (borrowings as detailed in Note 17).

The Company's management reviews the capital structure of the Company on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital.

Gearing ratio

The gearing ratio at end of the reporting period is as follows.

	As at 31st March, 2021	(₹ in Lakhs) As at 31st March, 2020
Debt	30,000.00	33,716.64
Total equity	11,220.19	11,845.05
Debt to equity ratio	<u>2.67</u>	<u>2.85</u>

Footnotes :

- Debt is defined as all long term debt outstanding (including unamortised expense) + short term debt outstanding in lieu of long term debt
- Total equity is defined as Equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets

(b) Categories of financial instruments

(₹ in Lakhs)

	As at 31st March, 2021	Fair value	As at 31st March, 2020	Fair value
	Carrying value		Carrying value	
Financial assets				
Measured at amortised Cost				
Cash and cash equivalents	41.93	41.93	724.98	724.98
Bank balance other than cash and cash equivalents	-	-	2,234.00	2,234.00
Trade receivables	2,658.57	2,658.57	3,975.88	3,975.88
Loans	2,980.44	2,980.44	1.55	1.55
Other financial assets	-	-	92.72	92.72
	<u>5,680.94</u>	<u>5,680.94</u>	<u>7,029.13</u>	<u>7,029.13</u>
Measured at fair value through profit and loss (FVTPL)				
Investment in mutual funds	250.54	250.54	200.73	200.73

Trade payables	390.02	390.02	355.29	355.29
Other financial liabilities	1,841.29	1,841.29	3,515.34	3,515.34
	<u>32,024.85</u>	<u>32,285.02</u>	<u>35,115.36</u>	<u>35,115.36</u>

[^] including unamortised expense

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Note - 36: Financial instruments and risk review

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

(1) Financial assets at fair value through profit and loss (FVTPL)

	(₹ in Lakhs)		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2021	As at 31st March, 2020		
Investment in mutual fund units	250.54	200.73	Level 1	Quoted bid prices in an active market
	<u>250.54</u>	<u>200.73</u>		

(2) Financial liabilities at amortised cost

	(₹ in Lakhs)		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at 31st March, 2021	As at 31st March, 2020		
Fixed rate borrowings (Non-Convertible Debentures)	30,260.17	-	Level 2	Inputs other than quoted prices that are observable
	<u>30,260.17</u>	<u>-</u>		

(d) Financial risk management objectives

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations, routine and projects capital expenditure. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks viz interest rate risk, credit risk, liquidity risk etc. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Company.

Interest rate risk

Most of the Company's borrowings now are on a fixed rate of interest. The Company had exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR).

The following table provides a break-up of the Company's fixed and floating rate borrowings:

	(₹ in Lakhs)	
	As at 31st March, 2021	As at 31st March, 2020
Fixed rate borrowings	30,000.00	-
Floating rate borrowings [^]	-	31,435.39
	<u>30,000.00</u>	<u>31,435.39</u>

[^] Gross amount including unamortised expense.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit before tax .

	(₹ in Lakhs)	
	Year ended 31st March, 2021	Year ended 31st March, 2020
Impact on profit before tax - increase in 50 basis points	-	(157.18)
Impact on profit before tax - decrease in 50 basis points	-	157.18

Credit risk**Trade receivables****1. Exposures to credit risk:**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to the credit risk arising from the possibility that counterparties (primarily trade receivable, suppliers etc.) might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts and the cost of substituting products that are not supplied.

2. Credit risk management:

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The credit risk is limited as the revenue and collection are from Gulbarga Electricity Supply Company Limited which is a Government of Karnataka undertaking.

JODHPUR WIND FARMS PRIVATE LIMITED**Notes forming part of the financial statements for the year ended 31st March, 2021****Note - 36: Financial instruments and risk review****3. Other credit enhancements:**

The Company does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets.

4. Age of receivables and expected credit loss

Based on an analysis of past trends of recovery, the management is of the view that the entire receivables are fully recoverable. Accordingly, the Company does not recognise any impairment loss on its receivables.

The age of receivables and provision matrix at the end of the reporting period is as follows.

As at 31st March, 2021

	Gross trade receivables	Expected credit loss (%)	(₹ in Lakhs) Allowance for doubtful Debt
Less than or equal to 6 months	2,658.57	0.00%	-
More than 6 months but less than or equal to 1 year	-	0.00%	-
More than one year	-	0.00%	-
	2,658.57		-

As at 31st March, 2020

	Gross trade receivables	Expected credit loss (%)	(₹ in Lakhs) Allowance for doubtful Debt
Less than or equal to 6 months	3,975.88	0.00%	-
More than 6 months but less than or equal to 1 year	-	0.00%	-
More than one year	-	0.00%	-
	3,975.88		-

Other financial assets

The Company is having balances in cash and cash equivalents and investment in mutual funds. With respect to investments, the Company limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Company's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Company therefore considers credit risks on such investments to be negligible.

Note - 36: Financial instruments and risk review (Contd.)

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest (accrued upto 31st March, 2021) and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at 31st March, 2021	Less than 1 year	Between 1 and 5 year	5 years and above	(₹ in Lakhs) Total
Financial liabilities				
Non current financial liabilities				
Borrowings [^]	-	30,000.00	-	30,000.00
Interest on Borrowings	2,100.00	6,300.00	-	8,400.00
	<u>2,100.00</u>	<u>36,300.00</u>	<u>-</u>	<u>38,400.00</u>
Current financial liabilities				
Trade payables	390.02	-	-	390.02
Other financial liabilities	1,841.29	-	-	1,841.29
	<u>2,231.31</u>	<u>-</u>	<u>-</u>	<u>2,231.31</u>
Total financial liabilities	<u>4,331.31</u>	<u>36,300.00</u>	<u>-</u>	<u>40,631.31</u>

[^] Gross amount including unamortised expense.

As at 31st March, 2020	Less than 1 year	Between 1 and 5 year	5 years and above	(₹ in Lakhs) Total
Financial liabilities

Note - 37: Impact of COVID-19

The Company is engaged in the business of generation of wind power. The Company has entered into a Power Purchase Agreement with Gulbarga Electricity Supply Company Limited (a government of Karnataka undertaking) to supply power at a fixed tariff rate for 20 years, which is further extendable by 5 years.

Management believes that it has taken into account all known impacts arising from recent surge in the spread of COVID 19 pandemic in the preparation of the financial statements for the year ended March 31, 2021. The Company has made detailed assessment of its liquidity position and recoverability of carrying amount of financial and non-financial assets and concluded that there is no material adjustments required in the financial statements for the year ended March 31, 2021.

However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

Note - 38: Approval of financial statements

The financial statements were approved for issue by the board of directors on May 5, 2021.
